# **Upton Junior Football Club**

# TRAINING & MATCH DAY POLICY

Name - The Club is registered with the Cheshire County FA as Upton Junior Football Club (Chester).

Status - Registered Charity Number 1172690

#### I. Training and Match Day Coaching

At all training sessions and matches there must be **at least 2** DBS accredited volunteers who have completed the FA Emergency Aid and Safeguarding Children courses and are registered to the club on the FA Whole Game System.

#### II. Training and Match Day Kit & Equipment

FA Laws of the Game and FA Rules - Law:4 "The Players' Equipment" can be found here - <a href="http://www.thefa.com/football-rules-governance/lawsandrules/laws/football-11-11/law-4---the-players-equipment">http://www.thefa.com/football-rules-governance/lawsandrules/laws/football-11-11/law-4---the-players-equipment</a>.

In accordance with this and guidance from Cheshire FA, the following rules apply to players of all ages:

- 1. Players who wear glasses must wear sports glasses which do not contain metal or glass. This is for the safety of the player and other participants.
- 2. No player is permitted to train or play with any jewellery, especially pierced earrings. Using tape to cover jewellery is not acceptable.
- 3. All players must have shin pads, appropriate protective clothing (for example goalie gloves) and footwear suitable for the playing surface (see Law 4 for more detailed information). Players cannot train or play games without shin pads.
- 4. All long hair should be appropriately tied back.

In addition, the club recommends the following:

- 1. Players should bring a drink to every match or training session. Due to hygiene concerns the club does not provide water bottles.
- 2. For Junior players (U18s), it is each parent/guardian's responsibility to ensure that their child(ren) is/are suitably dressed for the weather for all matches and training sessions. Football can be played in very cold and wet conditions and children need to be suitably dressed. Please take note of the following:

As a club we recognise that, during cold weather, it is difficult for players who are on the touchline. Each Manager will endeavour to rotate players, however, as a minimum, players should attend training and matches with a waterproof coat and training jacket/hoodie to wear over their kit. Under kit thermals are also highly recommended, which should be the same colour as the match day shirt.

Club branded clothing is not essential but a link to the club shop can be found here <a href="https://www.kitlocker.com/uptonifc/">https://www.kitlocker.com/uptonifc/</a>.

Respect barriers must be in place at every match in accordance with the relevant leagues guidelines. Where possible barriers should be in place on both sides of the pitch, with home and away teams on opposite sides of the pitch. For Cheshire Girls League matches the home and away teams should be on the same side of the pitch.

Coaches must always be on the same side of the pitch as the team supporters.

#### V. <u>Health & Safety</u>

Managers should always check the venue for obvious hazards:

- 1. Is it safe, are there any obstacles, check the pitch for dangerous materials (glass, dog fouling etc)
- 2. Is it accessible in case of an emergency.
- 3. Check the goalposts always follow FA safety guidelines:
  - All goal posts must be secured to the ground
  - Goals must be suitable for the age group
  - Players should NEVER be allowed to climb on goals.
  - Check playing equipment (corner flags/ ball/ etc)
- 4. Please read the Upton JFC Emergency Action Plan and have a copy of this with your (first aid kit) for all training sessions and games. This provides details about access points, locations and defib placements for all venues.

#### VI. Dropping off and Collecting Players at Training and Matches

For children 13 or under:

- 1. The Club requires a parent or designated adult to be present at training to take responsibility for each child immediately before and after each training session or match.
- 2. Please accompany your child to and from the pitch for their safety.
- 3. Players must be collected from training and matches by a parent or designated adult.
- 4. If someone else is responsible for your child, please ensure that the Coach knows of the arrangement.
- 5. If you are late collecting your child, please contact the Coach who will arrange to stay with your child until you arrive. Please try to be on time and respectful of the Coach's time.
- 6. All parents are responsible for their children if they are allowed to travel home on their own. This information must be made available to the Coaches.
- 7. We advise you to tell your children not to go home with anyone else unless you have agreed with them in advance, even if they know the person concerned.
- 8. For all younger children a parent or designated adult should stay pitch side during training and games.
